

Morning and evening prayer

God, thank you for everything you have given me, and especially

Thank you for

Thank you for

Thank you for

God, please: give me the strength to receive with peace of mind and peace of heart, all that tomorrow (today) will bring; give me whatever is needed to let myself fully surrender to your Holy Will, and stay with me and strengthen me at all times.

Any news that tomorrow (today) will bring, teach me to receive them with my heart at peace and with the unshakable trust that YOUR WILL is above everyone else's will.

May it be that in everything I do and in everything I say, YOUR WILL has full control over my mind and feelings and when any happenings will come to me, help me always remember that You sent them and they came to me for a good reason.

Please, give me the strength to carry the struggles and happenings of the day with as much ease as possible.

Give me the serenity to accept the things I cannot change, the courage and strength to change the things I can change and wisdom to know the difference between them.

Bless me with your Divine Grace, motivate me, ignite and fuel my will, teach me: to pray, to fill myself with your Holy Spirit, to hope, to believe, to have patience, to love, to accept and to forgive. In addition, when I pray, let it be that You Yourself are The One who prays in me.

Let it be that your blessings reach everyone and everything!

Amen.
